GALWAY MALAYSIA TOUR SEPTEMBER 2026

Under the Galway travel Bonus 2026, a wonderful group of Galwians left for the Malaysia Tour on 11 September. With excitement in their hearts, confidence in their minds and a new sense of achievement, the Galwians began this memorable journey. It was not just a foreign trip, but a celebration of hard work, achievement and team spirit.

An Exciting Beginning: The Galway group left for Malaysia from Indira Gandhi International Airport, New Delhi. The excitement was clearly visible on the faces of the Galwians at the airport. Members from different parts of the country came together to be part of this beautiful journey.

As soon as they reached Malaysia, the beauty, modern lifestyle and natural views of the new country welcomed them. Dressed in Galway T-shirts, the group presented a wonderful picture of team spirit and togetherness.

Leader Meet Builds Confidence: After reaching Malaysia, the Galway Malaysia Leader Meet was organised. During the

business meet, Galwians discussed important business-related topics and shared their experiences. The meeting was not only a platform for business discussions but also an opportunity to learn from each other, share experiences and gain new energy for future goals.

Memorable Moments at the Petronas Twin Towers: One of the biggest highlights of the Malaysia trip was the Petronas Twin Towers. Standing at around 452 metres, these world-famous towers are considered an iconic symbol of Kuala Lumpur. The Skybridge, connecting the 41st and 42nd floors, and the city view from the towers are among the major attractions for visitors. The Galwians captured memorable moments through photographs and videos in front of the Twin Towers. The beautifully lit Kuala Lumpur and the shining Twin Towers made the experience even more special.

Batu Caves: The Galwians also visited Batu Caves. Famous for its colourful 272 steps and the huge statue of Lord Murugan, Batu Caves is one of Malaysia's major tourist attractions, known for its natural limestone caves and temple complex. The

natural beauty of the caves, the huge statue and the beautiful surroundings made it a unique and memorable experience for the Galwians.

Exploring the Beauty of Kuala Lumpur: During the tour, Galwians enjoyed several major attractions of Malaysia's capital city. Places such as KL Tower, KLCC Park, Dataran Merdeka, National Palace, Central Market and Bukit Bintang added new colours and experiences to the journey. Tourism Malaysia also lists these places among the major attractions of Kuala Lumpur.

Genting Highlands: Another major attraction of the Malaysia Tour was Genting Highlands. Located among the mountains, this popular tourist destination is known for its cool climate, beautiful views and entertainment options. The time spent here was full of excitement and enjoyment for the Galwians.

Self Empowerment Program

YOGA AND MEDITATION ARE GAINING GLOBAL POPULARITY

In today's fast-paced life, challenges such as stress, long working hours, constant use of mobile phones and digital screens, traffic and social distancing are on the rise. Consequently, people are turning to practices like yoga, meditation and mindfulness to keep both their bodies and minds calm and balanced.

A recent report in The Economic Times highlighted that Indian meditation practices are becoming popular in many major cities across the world. According to the report, amidst the stress, anxiety and fatigue associated with modern life, people are adopting Indian practices that focus on breathing, mindfulness and emotional balance.

Driven by this very philosophy, the Self-Empowerment Program (SEP), conducted under the Galway Foundation, inspires individuals to better understand themselves, cultivate positive thinking and move forward in life with confidence.

The objective of SEP is not merely to impart information but to inspire individuals to develop positive thinking, self-awareness and the right mindset for a better life. To date, millions of people have benefited from SEP and its journey continues.
